Hacienda de Guru Ram Das Corporation is created and managed by our local Sadh Sangat and exists to serve the community and all of its endeavors. The HGRD Finance Committee is committed to the management of the community donations as a sacred trust, and we pledge to serve with openness and transparency. Your donations serve to maintain our existing facilities, grounds, and personnel and to enable us to expand and upgrade our community in large and small ways. Together we can shoulder all of the responsibilities and blessings of bringing our community into the Age of Aquarius as a beacon of spirituality and grace, and provide welcoming warmth and healing to all as the Mother Ashram. Thank you again for your spirit of giving.
